

U3A Axarquia – Presidents Annual Report

Covering the period 25th April 2014 to today 17th April 2015

Welcome to the Annual General meeting of the U3A Axarquia

This annual report is a record of the achievements and changes in the last 12 months.

Unfortunately I have to start with the sad news of the recent deaths of two of our members, Werner Geiser and Gethan Thomas. Also, May Wilkinson the wife of Adrian Wilkinson also sadly passed away very recently. I'm sure we all extend our deepest sympathies to their respective partners.

On a more cheerful note the U3A continues to flourish.

We have 194 members with 35 new members joining in the year.

There are currently 23 groups ranging from Art appreciation through Mahjong to walking. These groups are spread over a geographical area encompassing Torrox, Torre del Mar, Canillass and the Competa area. 5 of the groups meet twice in different locations.

Proposals for new groups or the revival of old groups are always welcome. Please contact the Group Liaison Manager through the web site.

I wish to make a special mention of thanks to the committee members , the group leaders and organisers for without given their time and commitment the U3A could not function.

Individual Group leader reports will be posted on the web site, as will this annual report.
